RULES

Team members must be at least 18 years old to participate. Minors from 15-17 will be allowed to race with a parent or guardian partner. Both team members will be required to complete a waiver (minors will need one completed by a parent).

All teams MUST obey all NM laws, including traffic laws. Any team or team member caught breaking the law will immediately be eliminated from the race. Please help us maintain the safety of all team members and the community and be fair to other teams.

Please remember to be respectful of the businesses and volunteers participating in the race. They are donating valuable time, goods and services to help homeless animals and make this a fun day for you. If you have any concerns or complaints, please direct them to the volunteers.

All teams must have a currently licensed driver and car for the race. Transportation will not be provided. Vehicles must have valid title, registration, and insurance. Driver's license and plate numbers will be requested at registration.

Use of cell phones, GPS devices, search engines, etc. are allowed and encouraged, but not required. We want you to be able to find the wonderful businesses that are participating! You may also want to access information via the internet. You are welcome to ask for information from others, but only team members may complete any part of any challenge. Teams are also welcome to ride together, work together, and help each other, but each team must complete tasks on their own.

You are encouraged to bring snacks and water, if you need to eat on a regular schedule. Food may be provided during the race. The race is expected to last all day, so plan accordingly. **ALCOHOL WILL NOT BE ALLOWED DURING THE RACE.**

Refusal by any team or team member to complete a task will result in being eliminated from the race. If you fail to complete a task after three attempts, you will need to complete a 10 minute penalty before receiving your next clue. If a team is eliminated from the race, you will be directed to the location of the finish line and after-party. You are welcome to join us there to welcome the winners and have some fun celebrating.

Team members must wear the designated t-shirts during the race so they can be identified as racers. T-shirts will be distributed during check-in.

You know Viva loves your dogs and loves to see them! But PLEASE don't bring them on the race with you. You will be participating in active tasks all day long and we don't want the dogs to be left unattended or in cars. For their safety, please leave them home, or bring them along to the after party!

Photos will be taken during the race and may be posted on our website or on social media. By racing, you are agreeing to have your photo used.

Rules are subject to change at any time.
